Harry Mitsidis, Extreme traveller and founder of Nomad Mania

-OUR FOUNDER  
CLAIMED BY THE MEDIA AS THE WORLD'S MOST TRAVELLED MAN

Harry Mitsidis visited all the countries in the world by the age of 36 and has visited almost all the countries twice.

"NomadMania started as a world map full of resources and travel information, now we are a reference for the recognised biggest travellers and for people from less privileged backgrounds to experience more of the world around them".
